Thank you for purchasing the K3 Jive Sport Bluetooth Stereo In-Ear Headphones. Please read this user guide carefully before use.

■ **Brief introduction**

The K3 Jive is a sport In-ear Bluetooth stereo headset; designed for ultimate portability and functionality within today's mobile world. IPX 4 certified, water, moisture & sweat resistant for premium sport performance.

■ **Before use**

1. Overview

1	Cover of charging jack	6	NFC area
2	Micro USB charging jack	7	LED indicator
3	+ :volume up/previous song	8	Microphone
4	⏻ : Multi-functions button	9	Optional Ear Tip (s)
5	- : volume down/next song	10	Stabilizer
		11	CableManagement (optional)

4. Charging for headset

The headset comes with a built-in rechargeable battery, prior to using it, it is recommended to charge the battery completely prior to initial use. When the headset is low power, the headset emits prompt tones every 5 minutes and the red LED flashes. Please recharge the battery of the headset.

Using USB cable

1. Open the cover of charging jack, and plug the USB charging cable
2. Plug another side of cable to the USB port of PC
Red light on: Charging
Red light off: Charging is complete
3. It will takes about 2 hours to finish charging

Remarks:

- 1) The lithium battery is recyclable.
- 2) Batteries (battery pack or batteries installed) shall not be exposed to excessive heat place, such as sunshine, fire or the like.

■ Getting started

1. Turning on/off the headset

Functions	Operation	Prompt tone
Turning on	Press and hold  about 4 seconds until blue LED flashes	Four raise tone
Turning off	Press and hold  about 4 seconds until red LED flashes	Four fall tone

Remark: In order to save power, the headset will turn off automatically if no devices can be connected after 5 minutes.

2. Wearing the headset

a. Put the stabilizer into the headset and rotate to the suitable position as following shown:

b. Choose the suitable size ear tip (s) according to your ear and comfort as following shown:

c. Set up the cable management clips (optional accessory) for optimum in-use performance:

3. Pairing/connecting

1) Pairing headset with Bluetooth cell phone via Bluetooth

Prior to using the headset for the first time, you have to pair it with a Bluetooth-enabled cell phone. The pairing procedures are subject to different models of cell phones. Please refer to your cell phone user's manual for further information.

The general pairing procedures are as follows:

- 1) Keep your headset turned off and within 1 meter of phone ;
- 2) Press and hold  about 8 seconds until the red and blue LED flash alternately, the headset enter into pairing mode;

- 3) Activate your cell phone's Bluetooth function and search for Bluetooth devices within range, select "K3 JIVE" from the list of devices shown (enter password "0000" if the headset prompts);
- 4) After successful connecting, blue LED of headset flashes twice every 4 seconds

Remarks:

- ◆ Pairing mode will last 2 minutes, the headset will back to standby mode if the pairing failure.
- ◆ If the pairing is not successful, turn off the headset and repeat the steps as above.
- ◆ Every time the headset is turned on, it will connect to last connected device automatically. The headset can remember 8 paired devices, when the number of paired devices exceeds 8, the first one will be replaced.

2) Pairing headset with a Bluetooth cell phone via NFC

K3 Jive supports NFC technology, it can quickly connect with Bluetooth cell phone via NFC.

The general pairing procedures are as follows:

- 1) Please activate the Bluetooth and NFC function of cell phone;
- 2) Pairing and connecting with cell phone. Please refer to following pictures:

Remarks:

- Please keep the NFC area of cell phone and headset within 1 centimeter until the red and blue LED of headset flash alternately(First pairing time maybe 3 seconds).
- The headset will disconnect when you make the NFC area of cell phone and headset touch each other again.

3) Pairing headset with multi devices via Bluetooth

The headset can connect with two Bluetooth cell phones at the same time.

The general pairing procedures are as follows:

- 1) Pairing the headset with device one
- 2) Turn on the headset and make it enter pairing mode again, and pairing it with device two
- 3) Operate device one to connect with headset. The headset has already connected with two devices in this moment

Remarks:

- The multi-pair function is off in factory set, please turn on this function as following:

Turn on: long press  and + button under standby mode(not connected device), and release it until you hear four raise tone

Turn off: long press  and — button under standby mode(not connected

device), and release it until you hear four raise tone

- To improve the stabilization of headset, we suggest you turn off the multi-pair function when you only connect with one cell phone.

4. Making a call with the headset

1) Basic operation

Functions	Status of headset	Operation	Prompt tone

7. Factory Reset

In the status of charging, long press “+” button about 4 seconds and release it until the red and blue LED flashes simultaneously, you will hear 4 prompt tone.

Remarks:

After factory reset, the paired list of headset will be deleted. After turn it on again, the headset will enter pairing mode automatically, and you need to re-pair and connect with Bluetooth devices.

■ Care and maintenance

Read the following recommendations carefully before using K3 Sport In Ear Headphones. Following these you will be able to enjoy this product for many years.

- ◆ Please note that the cord management clips are optional accessory for better wearing.
- ◆ Keep the product away from direct sunlight or hot places. High temperatures will shorten the life of electronic devices, destroy the battery or distort certain plastic parts.
- ◆ Don't expose the product to cold areas. It may damage the internal circuit board.
- ◆ Don't try to disassemble the product as it may get damaged if you are not professional.
- ◆ Don't let it fall down onto the floor or other hard surfaces. The internal circuit might get damaged.
- ◆ Don't use intensive chemical products or detergent to clean the product.

■ **FAQs**
